\* The Office of Student Financial Aid calculates annual student budgets based on the federal "cost of attendance" definition, which is used to determine financial aid eligibility. <https://www.washington.edu/financialaid/getting-started/student-budgets/>

\*\* Student-led committees approved all fees under this header, except the NSEOF (see below), and are responsible for recommending fee changes to the Board of Regents for approval. Student representatives provide support recommendations for the NSEOF and the administration recommends fee changes to the Board of Regents for approval. Please note that many students pay fees beyond the ones presented here, such as course fees (the cost of which varies by discipline), fees for student insurance, international program fees, and fees for WashPIRG and WSA.
