Tuition and Fees presented here apply only to the University of Washington's tuition-based programs. Most non-matriculated students have to register through Professional and Continuing Education (PCE), and they will be charged fees for courses on a per-credit basis. These fees continue increasing with each credit taken, with no maximum. The only students who will be charged the non-matriculated tuition rates are those who enroll using an employee exemption. Such students will be charged the non-matriculated tuition rate if they take more than six credits. In addition, for summer quarter only, undergraduate non-matriculated students will follow the summer-only application process through the Office of the Registrar and will be charged the non-matriculated undergraduate tuition rate as shown in this table.
